RECREATIONAL CLASSES - (reception school years to 16yrs)

Our recreational classes are open to all children attending school and no previous experience is necessary. Classes are generally grouped in age with younger children attending the earlier classes rather than ability, however this is relatively flexible as children are put into small groups depending on ability within the class. Recreation class fees vary termly depending on the number of weeks in a term but work out at £10.50 per hourly session. British Gymnastics registration is required to attend.
